

51.2V 100Ah Power Wall Energy Storage Lithium Battery

Buy Discount Quality 51.2V 100Ah Power Wall Energy Storage Lithium Battery with Low Price made in China. Olaite is 51.2V 100Ah Power Wall Energy Storage Lithium Battery manufacturer and supplier in China.

51.2V 100Ah Power Wall energy storage lithium battery

Welcome to buy 51.2V 100AH Power Wall energy storage lithium battery from us. Every request from customers is being replied within 24 hours.

Power Wall energy storage lithium battery is easy to install, fast to set with app, real-time monitoring, and very suitable for home use. Purchase A-grade electric core, which is not ignited, not exploded, safe and stable, and suitable for major mainstream inverters.

51.2V 100AH Power Wall energy storage lithium battery Introduction

Model Number:	OPW-10051.2	Place of Origin:	Zhejiang, China
Brand Name:	Olaite	Battery Type:	LiFePO4
Capacity:	5.12kwh	Standard Voltage:	51.2V
Suggested DOD:	90%	Cycle:	6000 times
Product Size(cm):	65*48*19cm	OEM/ODM:	Acceptable

51.2V 100AH Power Wall energy storage lithium battery Parameter (Specification)

Model	OPW-100AH 48V/100AH 51.2V
Capacity	4.8KWH/5.12KWH
Normal Discharge Current	50A
Max Discharge Current	100A
Voltage	37.5-54.75/40-58.4VDC
Standard Voltage	48VDC/51.2VDC
Max Charging Current	100A
Max Charging Voltage	54.75/58.4V

Wenzhou Olaite New Energy Co., Ltd.

Address: Yueqing Economic Development Zone, Zhejiang Province

Tel: +86-15167879755

E-mail: olaite@cnolaite.com

Circle Times	6000 times
Size(mm)	650*480*190mm
Weight	49KG
Humidity	20-60%
Suggested DOD Model	90%
Warranty	10 Years
Communication	CAN/RS485/WIFI/4G/B-tooth communication
BMS	Yes

51.2V 100AH Power Wall energy storage lithium battery Feature

- ※High-quality battery core has longer service life, with 6000 cycles
- ※Easy to install and controllable at any time
- ※Intelligent BMS battery management system
- ※Thick shell, well protection for inside cells

51.2V 100AH Power Wall energy storage lithium battery Applications

- ※Energy storage system, control system, alarm system, power system, database
- ※Emergency lighting system, standby power supply, UPS
- ※Telecommunication equipment, communication equipment, fire protection system, security system, power station

51.2V 100AH Power Wall energy storage lithium battery Details

Olaite New Energy Co., Ltd is a professional China Power Wall energy storage lithium battery manufacturer and supplier, if you are looking for the best Power Wall energy storage lithium battery with low price, consult us now!

Power Wall energy storage lithium battery use long-life and environment-friendly lithium iron phosphate batteries, and are equipped with high-performance BMS to effectively manage the cells. Compared with traditional batteries, they have more extensive performance and application advantages. Use A+grade core, precision assembly, support customized BMS protection plate, use precision iron shell, and ensure the core capacity. With years of experience in production Power Wall energy storage lithium battery, Olaite New Energy Co., Ltd can supply a wide range of Power Wall energy storage lithium battery. High quality Power Wall energy storage lithium battery can meet many applications, if you need, please get our online timely service about Power Wall energy storage lithium battery. In addition to the product list below, you can also customize your own unique Power Wall energy storage lithium battery according to your specific needs.

Honest marketing

- 1. we are manufacturer with production experience for more than 10 years
- 2. We own ISO, CE, ROHS, FCC, ETL, PSE certificates
- 3. We accept OEM and ODM
- 4. Our salesman is with rich experience in foreign trade and efficient work efficiency
- 5. High-quality after-sales service to solve all your doubts

FAQ

Q: Are you a directly factory or trading company?

A: We are inverter manufacturer.

Wenzhou Olaite New Energy Co., Ltd.

Address: Yueqing Economic Development Zone, Zhejiang Province

Tel: +86-15167879755

E-mail: olaite@cnolaite.com

Q: How does your factory do regarding quality control?

A: Quality is the priority. We always attach great importance to quality controlling from the start to the end. All our products have gained CE, FCC, ROHS certification.

Q:What can you do?

A:1.All of our products have proceeded aging test before shipment and we guarantee safety while using our products.

2. OEM/ODM orders are warmly welcomed!

Q:Warranty and return:

A:1. Products have been tested by 48hours continuous load aging before ship out.wanrranty is 2 years

2. We own the best after-sale service team, if any problem happens, our team will do our best to solve it for you.

Q:Is sample available and free?

A:Sample is available, but the sample cost should be pay by you. The cost of sample will be refund after further order.

Q:Do you accept customized order?

A:Yes, we do.

Q:What's the delivery time?

A:It usually takes 7-20 days after confirming payment, but specific time should be based on the order quantity.
